It as you give find been getting any mail from Art. (not me). How does she like him. ~~and~~ I should have told you his name.

I don't mind a girl if she has freckles or not. There not anything they can do for them.

I'm going to try and get another leave about Oct. or Nov., when I do I will try and make it to Michigan, o'k?

This town I live in hasn't changed a bit. It the same as I left it in Jan. of 53. So as soon as I get out of the army I might try Cleveland or
